

THE ISLE OF GIGHA HERITAGE TRUST

Board Action Plan 2021

1. Work towards reducing the debt burden on IGHT to £500,000.
2. Identify a programme of further housing and agricultural improvements.
3. GTL Board to deliver Ardmish camp and motor home site and facilities.
4. Take forward and secure funding for Ardmish Housing project
5. Continue to support the work of the Young Board in developing their aspirations for Gigha, especially around hub development.
6. Begin a programme to improve the path network and interpretation on the island.
7. Engage volunteers in environmental projects and promote low carbon initiatives where possible.
8. Deliver Achamore Gardens Development Plan and begin Phase 1 works.
9. Support delivery of the Creative Communities "Our Island" Project and facilitate on-going community engagement.
10. GREL/ GGPL Boards to continue exploring succession planning for the turbine income.
11. Develop an island wide Woodland Management Plan.
12. Continue promotion of the Gigha Community Fund to support small island projects and initiatives.
13. Prepare and implement action plan for regular reviewing of policies and risks.
14. Facilitate skills development and training opportunities for staff, directors, and residents.
15. Continue the process of reviewing core costs and achieving value for money.
